

Triangle InfoSeCon 2024

Sponsorship Video Packages

These video packages have been created to help our sponsors gain more visibility at their booths and help showcase their participation at the conference

Two Pre-Conference Promotional Videos

\$3,000

The purpose of this pre-conference promotional video is to promote the sponsor and get more traffic to their booth and presentation. This will include a 60 second version and 30 second version.

What else is included:

- 30-minute film session (must be in the Triangle area) where our team will film a member of the sponsoring company talking about what they will offer at their booth and what their talk will be about.
- Video includes clips from past events.
- Additional video footage the sponsor may have to add to the video.

Post Conference Showcase Video

\$2,000

This video includes:

- Footage from their booth
- Footage from their talk
- Visual soundbites from happy booth visitors
- Visual soundbites from happy presentation attendees
