Triangle InfoSeCon 2025  
**Sponsorship  
Video  
Packages**

These video packages have been created to help our sponsors gain more visibility at their booths and help showcase their participation at the conference

## Two Pre-Conference Promotional Videos

**\$3,000**

The purpose of this pre-conference promotional video is to promote the sponsor and get more traffic to their booth and presentation. This will include a 60 second version and 30 second version.

What else is included:

- 30-minute film session (must be in the Triangle area) where our team will film a member of the sponsoring company talking about what they will offer at their booth and what their talk will be about.
- Video includes clips from past events.
- Additional video footage the sponsor may have to add to the video.

## Post Conference Showcase Video

**\$2,000**

This video includes:

- Footage from their booth
- Footage from their talk
- Visual soundbites from happy booth visitors
- Visual soundbites from happy presentation attendees
